Objection to Annual Wage Order No. 12

By Plumbers Local No. 8

OBJECTOR

COMES NOW Plumbers Local No. 8, and files its objection to Wage Order No. 12 as it relates to the determination of the prevailing wages for the classification of plumbers in **Morgan County, Missouri**. In support of its objection, the Union states as follows:

1. Plumbers Local No. 8 ("Objector") with its principal office in Kansas City, Missouri, represents members who perform work with signatory contractors to a collective bargaining agreement throughout the State of Missouri, including **Morgan County, Missouri**. The members perform work as defined by the occupational title "plumber" and set out in 8 C.S.R. 30-3.060. As a representative of its membership, it is an affected party of the determination of the prevailing wage rates for plumbers.

2. Wage Order No. 12 sets the prevailing basic hourly wage rate in **Morgan County, Missouri** at twenty-one dollars and fifty cents (\$21.50) per hour. In addition, the total fringe benefit package is set at three dollars and twenty-seven cents (\$3.27) per hour.

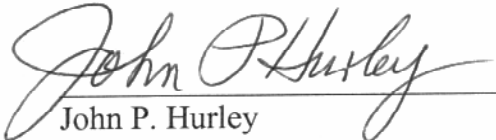

3. Objector asserts that the correct prevailing basic hourly wage rate in **Morgan County, Missouri** is twenty-eight dollars and sixty-six cents (\$28.66) per hour. In addition, Objector asserts that the correct fringe benefit total package should be ten dollars and eighty three cents (\$10.83) per hour.

4. Objector's assertions are based upon wage and fringe benefit rates established by collective bargaining agreements ("CBA") in effect during the relevant period.

5. Under the wage rates established by the CBA, members of the objecting Union performed a substantial number of hours of work as plumbers during the relevant period at the above-quoted basic wage rate and the fringe benefit total package rate which will be substantiated through the submission of Contractor's Reports of Construction Wage Rates directly to the Division of Labor Standards.

For the foregoing reasons, Objector requests that the prevailing basic hourly wage rate for plumbers in **Morgan County, Missouri** be adjusted to twenty-eight dollars and sixty-six cents (\$28.66) per hour and the fringe benefit total package rate be adjusted to ten dollars and eighty-three cents (\$10.83) per hour.

Respectfully submitted,
